INFORMATION DISCLOSURE STATEMENT

Sir:

In compliance with 37 C.F.R. §1.56 and in accordance with  
37 C.F.R. §§1.97 and 1.98, it is requested that the thirteen

(13) references listed on the attached Form PTO-1449 be made of record in this application. With two exceptions, copies of the references are enclosed; the exceptions are copending, coassigned U.S. applications Serial Nos. 09/600,660 and 09/600,661. Copies of these were previously submitted but were not considered by the Examiner because, in his view, they were not listed under the correct section of the Form PTO-1449. They are listed in the present PTO-1449 under the section desired by the Examiner.

Also provided herewith is a copy of the International-Type Search Report (PCT/ISA/201/SE) issued in connection with the priority application of related U.S. application Serial No. 09/600,661. In this Report are cited 9 of the references listed on the accompanying PTO-1449.

The Commissioner is hereby authorized to charge the fee set forth in 37 C.F.R. §1.97(c) to Deposit Account No. 23-1703. Any other fee which may be due for any reason may likewise be charged.

Dated: May 28, 2003

Respectfully submitted,
